Númer frá 1 to 100

Stærð 5000 x 5000 mm
Verð 753.917 kr
Nr. 970550

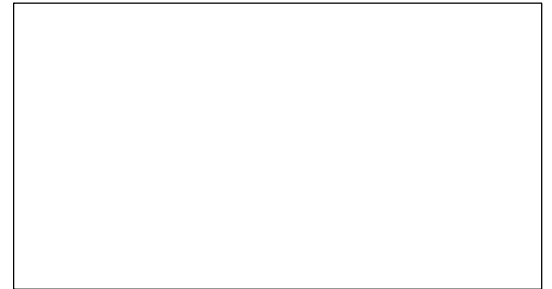

The high friction in the DecoMark® material minimises the risk of the symbol being slippery, and the children can play safely.

DecoMark® emits no environmentally harmful substances. The pigments are organic and do not contain lead or other heavy metals.

Use primer when applying on concrete, stones or old asphalt.

There can be differences between the RAL code and the actual DecoMark® colour, so the RAL colour codes are to be seen as guidelines.
