Inter-Play
creating moving space

As a result of the long accumulation of our market experience we have the pleasure to present new edition of Inter-Play catalogue consisting of the following product lines:

LIMAKO - stainless steel playgrounds with its unique and sophisticated design

ROTO - very strong devices, typical for public areas with heavy traffic

PARK - light, modular and economical line of playgrounds

INTEGRADO - products designed especially for disabled users

SALTO - trampolines, perfect supplement for each playground area

FITNESS - metal devices for body training

ARENAS - sport fencing systems perfect for team games

You will find Inter-Play playgrounds not only in almost all European countries, but also in the USA, Canada, Chile, Australia or New Zealand.

We believe that Inter-Play products are a perfect way to entertain every user, while keeping them safe and happy all over the world.
